NORMAN COSSER

Norman Cosser

Once again Norman returns as our genial Master of Ceremonies. His naturally rather dry wit and easy patter will soon have everyone laughing.

VIC KEYES

As "Mine Host" at the local watering-hole Vic needs no introduction here as to his capabilities. Listening to the cash register tinkle the local economy drive has yet to reach his customer's pockets.

ROY FIELDS

To be on the stage during December is becoming a habit with Roy. This year he does not have much to say but I guess he still dispenses "Courage, Courage" to damsels in distress.

ELIZABETH VENTER

This very talented young lady has been the children's dancing teacher for the past year and we are pleased to have her with us in this production.
