

C. Smale

My name is C. Smale – I reside at 40E 8th Street, Oranjemund.

Would like the community of Oranjemund to please take note of the following;

Regarding the alleged crime that took place at this residence. No Case or Charge was ever laid against any police officer or any other person. Allegations, not based on fact is therefore unfounded.

It has now been brought to my attention that, this has now affected peoples' perception of the Local Police Force, and private individuals living in the community.

The local police force is here to protect person and property alike, and community members should respect and appreciate the work that is done by them to make and maintain a safe environment.
