

# ORANJEMUND PRIVATE SCHOOL FIRST MATRIC DANCE

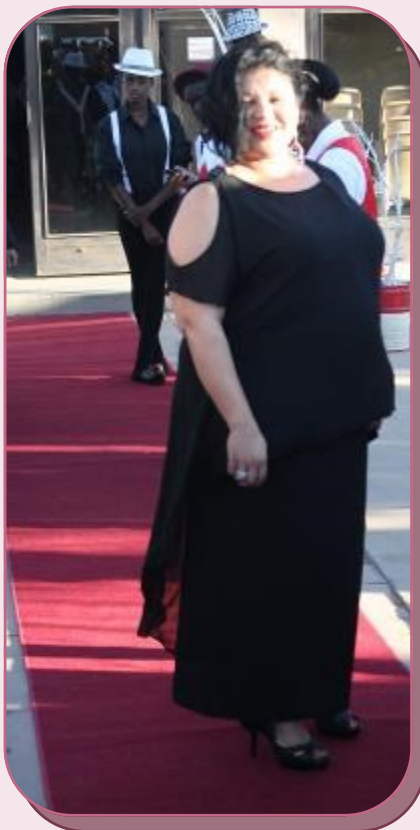

09 September 2013

On Friday the 6th September, Namdeb's wholly-owned Oranjemund Private School hosted the first-ever Matric Farewell in Oranjemund. Most of the residents came out to witness the historic event which was hosted at the Oranjemund Town's Recreation Club Hall.

The evening, with a vintage theme, was a tremendous success and the organizers under the leadership of Mrs. Charlotte Da Rocha are

congratulated on holding a memorable event, not only for the pupils, but also for the proud parents and teachers.

Oranjemund Private School started the secondary school level in 2009 when the first grade 8 class was introduced. Since then every year after that, the next level grade was introduced as per the agreed phased-approach (2010 gr 9, 2011 gr 10, 2012 gr11, 2013 gr 12).

The school is fully funded by Namdeb and is currently the only school in the town for all Oranjemund residents.
